

THE QUEST FOR AUTHENTIC MANHOOD

MEN'S
FRATERNITY

Have you ever asked yourself?

- What does it mean to be a man?
- What am I living for?
- Why does everyone else seem to have it together?
- What kind of legacy am I building?

As men, we often feel that the problems we face are unique to us alone. Men's Fraternity recognizes that all men face similar hurdles. By connecting with other men and applying certain principles we can be better equipped to overcome those hurdles.

This is a time for men to:

- Connect and build real relationships with other men
- Learn to be a man who gives life, direction and encouragement to those around you
- Learn the best practices of a successful man
- Be challenged and encouraged, and develop accountability

If you want to develop a personal mission for your life that fits "the real you," let's join together to begin a process for real change.
